

Union County Business Report

Major Employers Report

for Union County, NJ
August 2018

Prepared by UCEDC For
Union County Board of Chosen Freeholders,
Sergio Granados, Chair

UCEDC, a non-profit economic development corporation, is dedicated to stimulating economic growth for small businesses throughout Union County by providing them with resources and solutions for business expansion. Since 1977, UCEDC has helped entrepreneurs open their doors and assisted established businesses expand into new markets through innovative lending, comprehensive training initiatives and government procurement programs.

Financing

Access to capital is often a business owner's largest hurdle. We offer a variety of financing programs to meet your needs at every stage of your business's growth. As an SBA lender, we offer loans from \$500 to \$5 million through the microloan, Community Advantage 7(a) and 504 financing programs. Speak to our experienced staff to find the option that meets your needs.

Government Contracting

Federal, state and local government agencies spend billions of dollars each year buying goods and services from small businesses, just like yours. UCEDC can help you break into this lucrative market through free specialized training programs, one-on-one counseling services, and assistance in preparing bids and contract management.

Training

Whether you're looking for short presentations, day-long workshops, or intensive courses, UCEDC has the training and technical assistance you need to succeed. Our training professionals will help you master a wide variety of business and financial topics.

Business Tools

UCEDC produces a wide array of Union County business resource reports to provide you with the insights you need to make smart decisions. Market data, commercial real estate information, demographic analyses, and comprehensive contact lists for business advocacy organizations and agencies are just a few of the vital reports you'll find, free of charge.

Introduction

The **Major Employers Listing** details *private businesses* and *public organizations* located in Union County that employ 100 or more. This information is gathered from a variety of sources, including Chambers of Commerce, NJ Department of Labor, NJ Commerce & Economic Growth Commission, the media and independent research.

For those businesses that may also have facilities outside of Union County, the number of employees noted represents only those employees for the Union County facility(s). The contact listed may not be located at the Union County address.

The company listing, in order by employee size, contains the following information, if available:

- *Company Name & Address*
- *Company Executive's Name & Title*
- *Phone & Fax Number*
- *Website*
- *NAICS**
- *Employee Size (EST)***

* The North American Industry Classification Systems (NAICS Codes) uses a six-digit hierarchical coding system to classify all economic activity into twenty industry sectors. Five sectors are mainly goods-producing sectors and fifteen are entirely services-producing sectors. For a complete listing of NAICS codes, go to <http://www.census.gov/eos/www/naics/>.

**Estimated employee size category is identified by a letter code according to the following:

A- 100 to 199 employees
B- 200 to 299
C-300 to 399

D- 400 to 499
E-500 to 999
F-1,000 or more
