UCEDC, a non-profit economic development corporation, is dedicated to stimulating economic growth for small businesses throughout Union County by providing them with resources and solutions for business expansion. Since 1977, UCEDC has helped entrepreneurs open their doors and assisted

established businesses expand into new markets through innovative lending, comprehensive training initiatives and government procurement programs.

Financing

Access to capital is often a business owner's largest hurdle. We offer a variety of financing programs to meet your needs at every stage of your business's growth. As an SBA lender, we offer loans from \$500 to \$5 million through the microloan, Community Advantage 7(a) and 504 financing programs. Speak to our experienced staff to find the option that meet your needs.

Government Contracting

Federal, state and local government agencies spend billions of dollars each year buying goods and services from small businesses, just like yours. UCEDC can help you break into this lucrative market through free specialized training programs, one-on-one counseling services, and assistance in preparing bids and contract management.

Training

Whether you're looking for short presentations, day-long workshops, or intensive courses, UCEDC has the training and technical assistance you need to succeed. Our training professionals will help you master a wide variety of business and financial topics.

Business Tools

UCEDC produces a wide array of Union County business resource reports to provide you with the insights you need to make smart decisions. Market data, commercial real estate information, demographic analyses, and comprehensive contact lists for business advocacy organizations and agencies are just a few of the vital reports you'll find, free of charge.
